hiçbir şey boşlukta duramaz...

Şarküteri

1970'ten Bugüne, Bugünden Geleceğe

Dinamik Raf 1970 yılında çıkmış olduğu kalite yolculuğunda, yurt içi ve yurt dışında gerçekleştirdiği sayısız proje ile bugün 5 kıtada; büyük montajlı malzeme ihtiyacı olan tüm kuruluşların, mağaza zincirlerinin, mimarlık ofislerinin ve endüstriyel depolama çözümleri sunan tüm firmaların, teşhir ve raf sistemleri ihtiyacı için aranan bir marka haline gelmiştir.

Üretilen Her Projeyle, Daha İyiye

%100 yerli sermayeli Dinamik Raf, 46 yılda ürettiği sayısız projeyle teşhir ve raf sistemleri sektörün en hızlı büyüyen firmaları arasındadır. Dinamik ayrıca alanına getirdiği yenilikler ve sürekli daha iyiye arama misyonu ile da sektöre her zaman öncülük etmiştir.

Sektöre Yatırım, Geleceğe Yatırımdır İnancıyla

Üretimini Zonguldak ve İstanbul'da bulunan fabrikalarında gerçekleştiren Dinamik, teşhir ve raf sistemleri alanında bugün dünyada kabul gören modern üretim teknolojilerini barındıran tesislerinde toplamda 7.500 m2 kapalı alanda üretim yapmaktadır.

From 1970 to Today, From Today to the Future

Dinamik has managed to become a sought after brand in the display and shelf systems sector from the day it was founded. Supermarket and store chains , architectural offices, logistics firms providing industrial storage facilities are amongst the type of clients Dinamik has served in 5 continents since it has started its journey in 1970.

Aiming for better in Every New Project

Dinamik is %100 domestically capitalized and is among the fastest-growing firms of the display and shelf systems sector with countless projects it has undertaken in the last 46 years Dinamik has always led the sector with the innovations which it has brought to the sector with its mission of continuously searching for the better.

With the Belief of Investment to the Sector is Investment to the Future

Dinamik realizes its production in its facilities in Zonguldak and in Istanbul, its indoor production area totals around 7.500 m2 and uses modern production technologies which are well accepted today all over the world on the area of display and shelf systems sector.
